LAW LIBRARY
ARIZONA ATTORNEY GENERAL

Dear Sir:

In response to your request of July 3d, we have examined the transcript of proceedings leading up to and covering the issuance of \$25,000.00 bonds of school District No. 13 of Yuma County.

We are of the opinion that this issue of bonds were legally issued and are valid obligations of said school district, and that such bonds are of the class which you may purchase from the permanent school funds.

We return herewith the transcript of proceedings.

Very truly yours,

JOE CONWAY,
Attorney General.

EARL ANDERSON,
Special Assistant
Attorney General.
